## Eumos scientific conference on durable cargo transport

Eumos is the international safe logistics association with head offices in Brussels and representations in most European countries.

The 2016 Eumos scientific conference on durable transport will be held in Istanbul, Turkey on November 3-4 in close cooperation with UND, the Turkish transport association.

The conference focusses on all aspects of durable transport

- transport safety
- packing optimization
- routing optimization
- smart loading/unloading
- multimodal transport
- product damage reduction
- durable transport packaging
- CO2 footprint reduction
- smart vehicles
- vehicle testing
- vehicle vibrations and vehicle stability
- ....

### Members of the conference scientific committee are

- Prof. Péter Böröcz – Széchenyi István University, Hungary
- Prof. José Fernando Oliveira – University of Porto, Portugal
- Prof. António Galvão Ramos – Instituto Superior de Engenharia do Porto, Portugal
- Prof. Marc Juwet – University of Leuven, Belgium
- Prof. Axel Krapoth – Fachhochschule Flensburg, Germany
- Prof. George Lampeas – University of Patras, Greece
- Prof. Akos Mojzes – Széchenyi István University, Hungary
- Prof. Grazia Speranza – University of Brescia, Italy
- Prof. Greet Vanden Berghe – University of Leuven, Belgium
- ...

### Call for papers

Those who wish to present a paper at the symposium are invited to submit an abstract **before March 1, 2016**. Abstracts must be submitted in English and should not contain more than 2500 characters and consist of:

- title of the paper, not exceeding 75 characters
- name of all authors, the presenting author in underlined
- Overview of the objectives, methods used, results and conclusions
- Key words

All abstracts must be send by e-mail to [symposium@eumos.eu](mailto:symposium@eumos.eu).

Abstracts will be evaluated for acceptance of a full paper by the Eumos advisory board.

Full papers must be submitted by September 1, 2016. Papers are limited to 6 pages. A template will be provided.

Full papers will be evaluated by the conference scientific committee. Papers can be accepted for publication and a limited selection will be selected for presentation. Authors will be informed by October 1, 2016

All accepted papers will be published in the conference proceedings, which will be available a few days before the symposium.
