Committed to Cargo Securing & Load Stability?

EUMOS – The European Safe Logistics Association is a Non Profit Association fully devoted to Cargo Securing and Load Safety. EUMOS is fully committed to the EU objective aiming at reducing fatalities on the road to 0.

In the framework of its International Conference on 28-29 November 2019 in Valencia, EUMOS has in a spectacular venue overlooking the Mediterranean Sea created a space dedicated to companies like yours to exhibit its activities and commitments and to provide visibility to other actors interested in Cargo Securing and Load Stability. This will provide an individual spot for you to welcome guests of the 6th International EUMOS Conference and to specifically invite your customers.
